WHASA ANNUAL GENERAL MEETING – POSTPONEMENT – 23 MAY 2026

Dear WHASA member

As Members of the Wound Healing Association Executive Board as listed below, we are writing to inform you that the planned Annual General Meeting will be postponed. Several members have expressed interest in the AGM; however, currently we did not achieve a quorum with the registrations and we were informed by members they were unable to update annual membership fee payments before the original deadline.

Postponing the meeting will allow additional time for members to finalize their payments, confirm their attendance, and adequately prepare for meaningful participation. We believe this adjustment will support broader engagement and ensure a more productive and inclusive meeting.

Thank you for your understanding and continued commitment to the Association.

The deadline for any yearly membership will be **10 Mei 2026**.

The details for the AGM will be hosted as a hybrid meeting **23 May 2026**. Full details will be shared as soon as current Interim EXCO finalizes the venue and program.

Warm regards,

Wound Healing Association Interim Executive Board members:

Ms Johlene Sander – Interim President
